

FALL HYDRANT FLUSHING

Notice to Beachwood Residents

The Beachwood Water Department will be conducting its Semi-Annual flushing of the water mains beginning Monday, Nov. 6, 2023 through Friday, Dec. 8, 2023.

A temporary discoloration of the water and a decrease of pressure may be noticed

as a result of opening the fire hydrants. Should you encounter rusty water, do not use washing machines, dishwashers, or other water using appliances until water has cleared up. We apologize for any inconvenience this may cause.
