

# SPRING HYDRANT FLUSHING

## Notice to Beachwood Residents

The Beachwood Water Department will be conducting its Semi-Annual Flushing beginning on Monday, April 15 and will end on Friday, May 3, 2024. A temporary discoloration of the water and a decrease of pressure may be noticed as a result of

opening the fire hydrants.

Should you encounter rusty water, do not use washing machines, dishwashers, or other water using appliances until water has cleared up. We apologize for any inconvenience this may cause.
